Line 1 Communications, LLC

Telrite Corporation

February \_\_, 2006

Dear Customer:

Telrite Corporation ("Telrite") and Line 1 Communications, LLC ("Line 1") have entered into an Asset Purchase Agreement, whereby the traditional voice telecommunications assets of Line 1 will be acquired by Telrite, and Telrite will become your interstate, international and intrastate telecommunications service provider for long distance services. Telrite anticipates this happening on or before \_\_\_\_\_

This change in ownership will not affect or in any way disrupt your current service. **Your rates and the terms and conditions under your existing contract will not change as a result of the transaction.** No charges or fees will be imposed and no rate increase will occur as a result of this transaction. Telrite will inform you, by separate mailing, of any post-transaction changes which may occur.

We realize you have a choice of carriers. Subject to the terms and conditions of your existing contract with Line 1, including applicable termination penalties, you have the right to choose a different carrier for your services. Please note that if you are a customer of Line 1 on the date of the transfer and you have not informed Line 1 that you have made arrangements to switch to a carrier other than Telrite, your services will automatically be transferred and your account assigned to Telrite. Also, if you have placed a "freeze" on the services to prevent the unauthorized transfer of your services to another carrier, the freeze will be lifted and your services will be transferred to Telrite. You must contact your local exchange carrier to re-establish freeze protection for your Services after the transfer. Telrite will be responsible for any outstanding Line 1 customer complaints after the date of transfer. If you have any questions, please call one of Telrite's Customer Service Representatives at 1-866-890-4135.

We at Telrite are pleased to welcome you to our team and would like to express our appreciation for allowing us the opportunity to be your telecommunication service provider. We are confident that you will be pleased with the high quality of our service.

Yours faithfully,

Gene E. Lane, Jr., President  
Line 1 Telecommunications, LLC

Darryl Davis, President
